ABOUT US · ESTABLISHED 2020

# UF seat covers, made in India.

Established in 2020, VITRA PLAST has grown into a trusted manufacturer of high-quality toilet seat covers and premium sanitaryware components. We combine advanced automation, continuous quality control and skilled craftsmanship to deliver durable, hygienic and refined products for international markets, with OEM and private-label programmes for brands and distributors.

MATERIAL & COLOUR

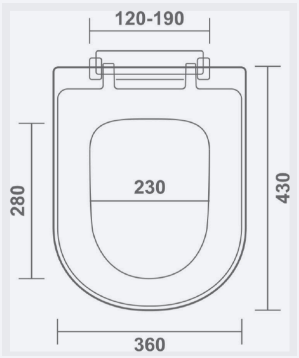

# Why UF / Duroplast?

UF is a thermoset resin. Once pressed and cured it stays hard and glossy, so it keeps its finish where ordinary plastics scratch, stain or warp.

- Hard, scratch-resistant surface with a ceramic-like gloss
- Heavy, solid feel that sits firmly on the bowl
- Resists household cleaners and bathroom heat
- Soft-close hinges for slow, silent lid fall
- Quick-release hinges for easy cleaning
- Nine standard colours; custom colours for OEM orders

Colours shown are indicative. Ask for physical samples before confirming an order.

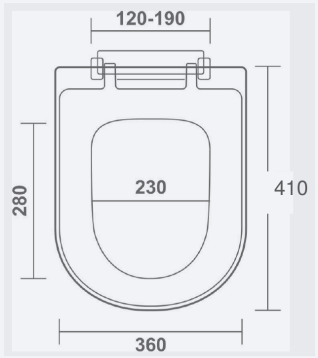

## 803 FLAT

Single touch · UF / Duroplast

L × W 430 × 360 mm  Hinge 120–190 mm

Quick release  Soft close

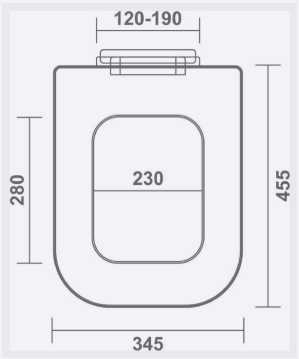

## 803 SMALL

Single touch · UF / Duroplast

L × W 410 × 360 mm  Hinge 120–190 mm

Quick release  Soft close

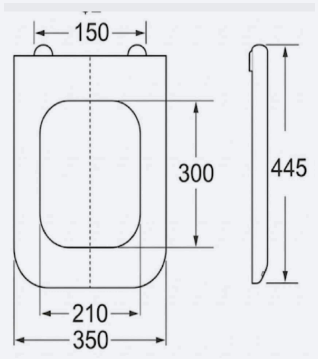

## 743 FLAT

Single touch · UF / Duroplast

L × W 455 × 345 mm  Hinge 120–190 mm

Quick release  Soft close

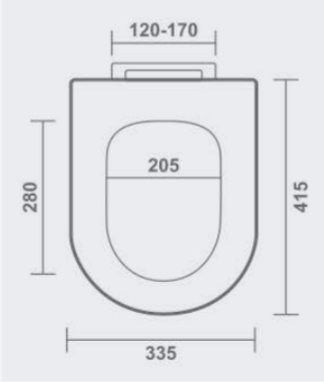

## C021

Double touch · UF / Duroplast

L × W 445 × 350 mm  Hinge 150 mm

Quick release  Soft close

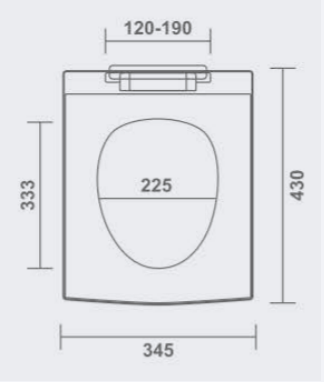

## 729

Single touch · UF / Duroplast

Quick release · Soft close

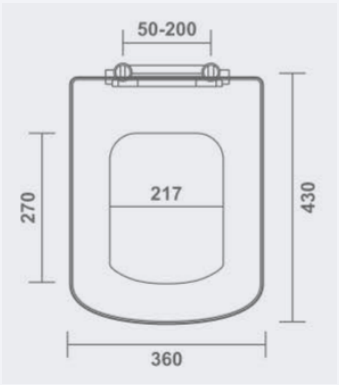

## 735

Single touch · UF / Duroplast

Quick release · Soft close

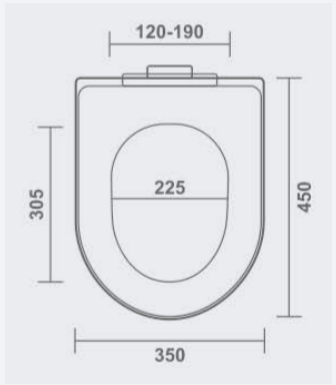

## 1077

Double touch · UF / Duroplast

Quick release · Soft close

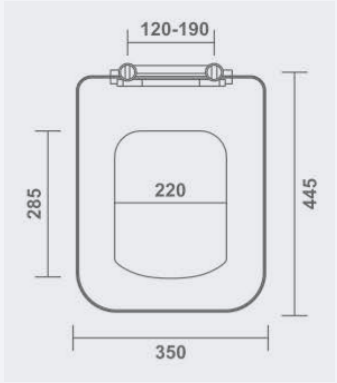

## 803

Double touch · UF / Duroplast

Quick release · Soft close

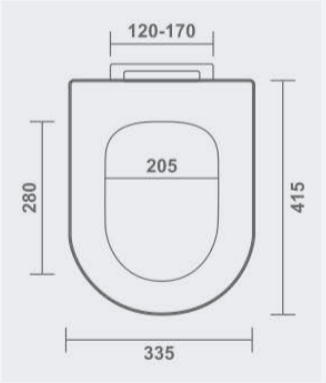

## 804

Single touch · UF / Duroplast

Quick release · Soft close

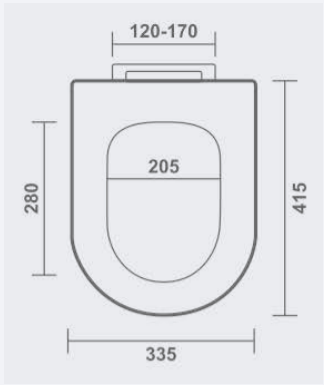

## 1002

Single touch · UF / Duroplast

Quick release · Soft close

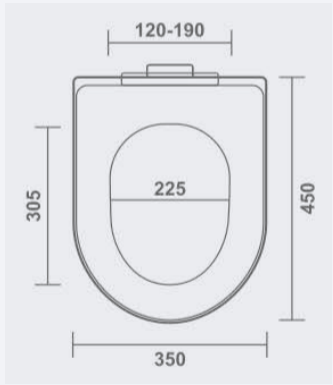

## 1005

Single touch · UF / Duroplast

Quick release · Soft close

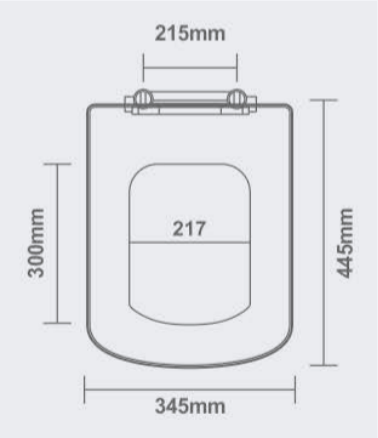

## 1012
